SCHOLARSHIP CRITERIA & QUALIFICATIONS

Applicant must be a senior, in good standing, who has participated in UIL athletics while attending Vista Ridge High School.

The student's parent or guardian must have been a paid member of a VRHS Athletic Booster Club, for a minimum of two (2) years and in good standing, as confirmed by the Athletic Director and respective Coach.

Scholarships will be awarded only to college-bound seniors who enroll in accredited colleges or universities as full-time students within 28 months of the award. The scholarship recipient must provide proof of full-time enrollment from an accredited college/university by submitting proof to the VRHS Athletic Booster Club Treasurer or approved Officer in order to receive scholarship funds. This may be in the form of a copy of a receipt for registration and/or payment of fees, or any other document that indicates a student's enrollment. (If there is any question regarding the named college/university's accreditation, the Counseling Office may be contacted for assistance.) The scholarship recipient may choose to have the award sent to him/her or to the college or university. In the event that the scholarship recipient is a NCAA recruited athlete, the NCAA requires that the funds be sent to the college or university. If a student receiving a scholarship fails to meet the criteria for release of funds, the Booster Club Officer will notify the remaining VRHS Athletic Booster Club Executive Board and the funds will be returned to the VRHS Athletic Booster Club.

If a scholarship recipient is a NCAA recruited athlete & the college or university notifies the VRHS Athletic Booster Club and/or the recipient that they may not accept the scholarship, the amount of the award is returned to the VRHS Athletic Booster Club.
